InfraCo Asia

InfraCo Asia Seeks Developer Teams for Myanmar

InfraCo Asia Development is a privately managed infrastructure development company which aims to stimulate greater private sector investment in infrastructure projects in low income countries in South Asia and South East Asia. It acts as principal to develop commercially viable infrastructure that contributes to poverty reduction and is funded by the Australian Department of Foreign Affairs and Trade (DFAT), the Swiss State Secretariat for Economic Affairs (SECO) and the Department for International Development (UKAid) through the multi-donor Private Infrastructure Development Group (PIDG).

For more information, see www.infracoasia.com and www.pidg.org

This is an invitation to submit Expressions of Interest (EOIs) in relation to two solicitations:

A. Invitation to submit an EOI in relation to the provision of pre-financial close infrastructure development services to InfraCo Asia in Myanmar (Developer Services).

B. Invitation to submit an EOI in relation to specific infrastructure opportunities under development, but not yet having reached financial close, in Myanmar (Specific Projects).

Interested parties may submit EOIs in respect of Part A only, Part B only or both Parts A and B. EOIs should be submitted by 21st January 2014.
